

MALVERN VALLEY PRIMARY SCHOOL

RAISING CONCERNS & COMPLAINTS POLICY

GENERAL MANAGEMENT

RATIONALE:

As key stakeholders in a school community, the opportunity for parents to raise concerns and complaints are important. Most commonly these relate to:

- The management of an incident between students at a school
- The educational or other progress of their child
- The development and implementation of school and general education policy.

In all communications, the school attempts to promote a healthy, safe and respectful school community. It acknowledges that concerns and complaints are best addressed when all members of the school community are working in partnership, exhibiting the responsibilities outlined in the Department of Education and Training (DET) Statement of Values (Appendix 1). The school's approach to handling concerns and complaints is also based on its values of respect, tolerance, cooperation, resilience, friendliness and confidence.

AIMS:

- To assist staff to confidently address the concerns and complaints of parents.
- To ensure a balance between the rights of all parties involved.
- To ensure parents have a clear process to follow when raising concerns and complaints.
- To ensure parents feel confident that their concerns and complaints will be dealt with in a prompt, fair and confidential manner.

IMPLEMENTATION:

1. ADDRESSING CONCERNS AND COMPLAINTS

- 1.1 A parent can raise a concern or complaint about any aspect of the school's operations including issues of student behaviour, learning programs, communication and fees and payments. Matters not covered by this policy are expulsions, employee conduct, critical incidences and criminal matters.
- 1.2 Parents should take a concern or make a complaint to the school. Any concern or complaint raised with the regional or central office, that has not been raised at the school level, will be referred to the school for resolution (unless there are special circumstances which prevent the school from managing the complaint).
- 1.3 For concerns and complaints that are not of a serious nature (such as those outlined in the above), parents should contact the relevant staff member at the earliest convenience in order to have the issue discussed and resolved immediately, without proceeding through a more formal complaints process.
- 1.4 Staff will be annually briefed about the school's procedures to address concerns and complaints and provided with (or access to) training and support appropriate to their responsibilities under these procedures.
- 1.5 Upon a complaint being made, the complainant will be made aware of this policy, should they not already be.
- 1.6 The school will make every effort to resolve concerns and complaints before involving other levels of the Department of Education and Training (DET).

2. PROCEDURE FOR RAISING CONCERNS AND COMPLAINTS

- 2.1 The complainant should set out details of the complaint, preferably in writing, and deliver to the school, where the information will be passed on to the appropriate person to deal with the complaint.
- 2.2 The school expects a person raising a complaint to do so promptly, respect the rights of all involved and acknowledge that achieving a common goal is desirable.

- 2.3 Should the Principal, Regional Director or the General Manager of the Group Coordination Division determine that a complainant's conduct is unreasonable, they can:
 - a. Develop a plan to address the complaint and the complainant's interaction with the DET
 - b. Inform the complainant of the plan
 - c. Ensure all Departmental officers adhere to the plan as closely as practicable.
- 2.4 Complainants can seek the services of an advocate when they feel they are unable to express their concern clearly (an advocate can be a friend or someone who is available through an appropriate support organisation who does not receive a fee for service).
- 2.5 All parties involved in addressing a complaint may seek the services of a mediator when there is difficulty coming to an agreement.
- 2.6 A complainant who wishes to use these support services should ensure the person addressing the concern or complaint is aware of their intention.

3. ADDRESSING CONCERNS:

When addressing concerns, all members of staff will deal with them in the following way:

- 3.1 All concerns will be acted upon promptly by the staff member with whom they were raised.
- 3.2 The staff member will ensure the complainant is aware of, and has access to a copy of this policy upon receiving the complaint.
- 3.3 The complaint process will be documented in accordance with the below 'Managing Parent Concerns Information' section of this policy by the staff member dealing with the complaint.
- 3.4 The relevant staff member will acknowledge all concerns promptly via direct contact, email or mail. They will provide the complainant with a timeline for investigating the complaint.
- 3.5 The Principal or Assistant Principal will be made aware of the complaint and will assist the staff member throughout the investigation, response and any further action.
- 3.6 The school will make every attempt to resolve a complaint as quickly as possible. If the complaint involves many students and a range of issues, the school may need more time to investigate and resolve it. The complainant will be made aware of any adjusted timelines.
- 3.7 Should the complaint involve complex issues, the school might need to take advice from DET's regional office which may take more time. The school will advise the complainant of any new timeline for addressing the complaint and the reasons for any delays. In all cases, the school will try to resolve a complaint within 20 school days.

4. MANAGING PARENT CONCERNS INFORMATION:

- 4.1 Staff will ensure accurate documentation of the complaint process is promptly recorded in the school's 'Parent Concern' register on the Sentral school database.
- 4.2 Details of all concerns received will include:
 - Name and contact details of the person with a complaint
 - Student(s) involved (if relevant)
 - Details of the staff member responding to the complaint
 - The date the concern was expressed or complaint made
 - A brief description of the complaint
 - Action taken on the complaint
 - The outcome of action taken on the complaint
 - Any recommendations for future / ongoing actions to be taken

5. OUTCOMES: Complaint Resolved

- 5.1 A complaint is considered to be resolved when the complainant and school (or DET representative) agree on an appropriate response or remedy.
- 5.2 If a complaint is substantiated in whole or part, the school will offer an appropriate remedy in consultation with the complainant. The school will endeavour to keep the complainant up to date with progress during this process.
- 5.3 Possible responses and remedies include:
 - An explanation.
 - An acknowledgement of each other's perspective and agreement on ways to manage differences.
 - An apology or expression of regret.
 - An admission of fault.

- A change of decision.
- A change of policy, procedure or practice.
- Agreement on what constitutes acceptable behaviour.
- An undertaking that unacceptable behaviour will change.
- The waiving of debt related to school fees and payments.
- A refund of parent payments.
- The provision of counselling or other support.

5.4 Remedies should be implemented as soon as possible.

6. OUTCOMES: Complaint Unresolved

- 6.1 A complaint is considered to be unresolved if the complainant does not agree on a course of action and/or a remedy, or if the remedy cannot be implemented. In such cases, a school must involve its regional office to assist in resolving the complaint.
- 6.2 If a school is unable to resolve a complaint, it can contact the regional office for support from the community liaison officer, assistant regional director or other officers as appropriate.
- 6.3 Complex complaints are those that:
- Defy resolution over a long period of time.
 - Involve complex issues (including issues involving more than one school).
 - May include complaints about the Principal of a school.
- 6.4 If a parent with a concern or complaint is not satisfied with the outcome determined by the school, they can contact the regional office. Depending on the nature and complexity of the concern or complaint, the Regional Director may involve the Assistant Regional Director, the Community Liaison Officer or other officers in the resolution of the issue.
- 6.5 Where relevant, the officer will ask the complainant for a complete and factual account in writing of the concern or complaint and the complainant's opinion about why they believe the school did not resolve the issue to their satisfaction. Where the complainant is unable to provide a written account, the officer should act on the information provided verbally.
- 6.6 Regional office staff will respond promptly to complaints received and, where appropriate, immediately acknowledge, in writing, the receipt of a written complaint. They will, as far as possible, attempt to resolve the issue raised by the complainant and provide a final response within 20 school days.
