Dear Parents and Carers,

Malvern Valley Primary School is looking forward to another great year of teaching and learning and would like to advise you of Malvern Valley Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to wider our offering of subjects and special curriculum experiences; and enhanced digital learning opportunities.

Enclosed are the following:

- Parent Payment 2022 information
- a one-page overview of the Department's Parent Payments Policy. For more details go to
