PRINCIPAL'S UPDATE

1 More Sleep Until Carnival!

Can you believe it? The time has finally arrived... our School Carnival is just one more sleep away!

We can't wait to see all of our students shine on stage and showcase their amazing performances. Be sure to bring along your family and friends because it's going to be an absolute ripper of a day filled with fun, laughter and community spirit.

A huge thank you to our incredible Carnival Committee and Class Coordinators for all their hard work behind the scenes to make this event possible. I'll be sharing more thanks and acknowledgements in my next newsletter.

We can't wait to celebrate with you all tomorrow!

Workforce Planning 2027

As we begin planning for another exciting year ahead, I am delighted to officially announce that our Prep teachers for 2027 will be Mr Liam Gava and Miss Ciara Murphy.

We are incredibly excited for this dynamic duo to work with our newest students as they begin their school journey. Liam and Ciara are both passionate, caring and highly skilled educators who bring enthusiasm, expertise and a strong commitment to student learning and wellbeing. We know our future Prep students will be in excellent hands.

Many of you may be wondering what this means for Miss Zoe Tuttleby. After spending the past year in a long-distance relationship, Zoe has made the exciting decision to take 12 months' leave in 2027 and move interstate to be with her partner. While we will certainly miss her, we are thrilled for this next chapter and wish her every happiness and success.

We also wish Miss Georgia Carlin all the very best as she embarks on an overseas adventure next year. The good news is that we will still see Georgia throughout Term 1, as she will be working with us as a CRT before heading off on her travels.

In addition, we extend our best wishes to Miss Fidock, who will be taking on a new challenge in 2027. We thank her for her contribution to our school community and wish her every success in this exciting new opportunity.

Together with my leadership team, we have undertaken a very positive recruitment process and are excited about the strong team we are building for 2027. I look forward to sharing the remainder of our teaching teams and staffing announcements later this term.
As always, we are grateful for the dedication of our staff and excited about the opportunities that lie ahead for our students and school community.

Prep 2027 Transition Program

We were thrilled to welcome our future students and families at our first Prep 2027 Transition Session today! It was wonderful to see so many new families beginning their journey with our school community, and especially exciting to meet the younger brothers and sisters of current students who are already eagerly preparing for their first year of school.

The room was filled with smiles, excitement and lots of curiosity as our newest learners took their first steps towards becoming part of the MVPS family. We look forward to getting to know all of our Prep 2027 students and families over the coming weeks as we continue our transition program.

World Teachers' Day

This week, we proudly celebrated World Teachers' Day, recognising the incredible dedication, passion and care that our staff bring to our students every day.

A very special thank you to our wonderful Parents Association for organising a delicious morning tea and for spoiling every staff member with chocolates and coffee vouchers. Your generosity and thoughtfulness made us all feel incredibly appreciated.

We are so fortunate to have such a supportive and caring school community. On behalf of all staff, thank you for helping make World Teachers' Day such a special celebration. We truly felt valued, recognised and very spoiled!

Grandparents & Special Friends Morning

Last week, we were delighted to welcome so many grandparents and special friends to MVPS for our annual Grandparents & Special Friends Morning.

It was wonderful to see our students proudly sharing their learning and spending time with the important people in their lives. The morning was filled with smiles, laughter and special memories.

I received so many compliments from our visitors about what a fantastic school MVPS is, and how warm and welcoming our community feels. Hearing these comments makes my heart so happy and reminds us just how fortunate we are to have such a supportive school community.

Thank you to everyone who attended and helped make the morning such a special celebration.

Book Fair 2027

A huge thank you to all of the families who supported our Book Fair this year. Together, you purchased an amazing $3,622 worth of books, raising $1,086.60 for our school library through Lamont rewards.

This fantastic result means we can continue to add exciting new titles and resources for our students to enjoy. Keep an eye on this space for updates on the wonderful new books that will soon be arriving on our library shelves!

A very special thank you also goes to the parent volunteers who generously gave their time to help run the Book Fair. Your support, enthusiasm and hard work helped make the event such a success, and we truly appreciate everything you do for our school community.

Happy reading, MVPS!

Goodbye Mrs Vais!

Today marks Mrs Vais's final day with us before she begins an exciting new chapter as she prepares to welcome her baby.

While we will certainly miss her warm smile, dedication and the wonderful relationships she has built with students, families and staff, we are thrilled for her and her growing family.

On behalf of the entire MVPS community, we wish Mrs Vais all the very best for a safe and happy arrival, and we hope she enjoys every special moment of this precious time. We can't wait to meet the newest little member of the MVPS family! Good luck, Mrs Vais. We will miss you and look forward to hearing all your baby news!

We love our Tag On Kiosk at MVPS.

Stonnington Council and MVPS have partnered together to offer some prizes and certificates for our top taggers this term.

Tagging On is so easy for our students and provides our families with an email notification to say their children have arrived at school. Students who tag on can collect house points and active travel points.

If you need a tag on, please visit the office. It's a very easy process!

Here is the website if you'd like some more information.

Next week we will be celebrating Diwali by applying henna, making potato and pea samosas, and creating clay diyas (tea lights). We have started putting together a Theircare Recipe book that the children can take home to recreate some of the delicious dishes they have learnt.
